Portable Sound System with Talkover

The features you need at a price you can afford.

- Clear and powerful sound thanks to a dual amplifier configuration driving a Neodymium 10" woofer and titanium-dome compression driver.
- Light-weight – basic system weighs just 32 pounds.
- Optional CD/MP3 player with port for USB memory key and up to two **SHURE** 10 channel wireless microphones.
- Exclusive 'talkover' feature automatically lowers program material when speaking on microphone, ideal for short announcements and multi-media presentations.
- With 100 watts total dynamic power, it's just right for groups of 100 people to crowds of 2,000 or more.
- Use it anywhere – operates up to a full day on the built-in battery, or plug it in for true AC operation.
- Six year warranty on system, 2 years on battery.
